

# We have a significant PROBLEM, do we not?

Some Pre-Millennial Chronologies (on the left), in general, place the Second Advent of our Lord Jesus Christ at the conclusion of the Great Tribulation.

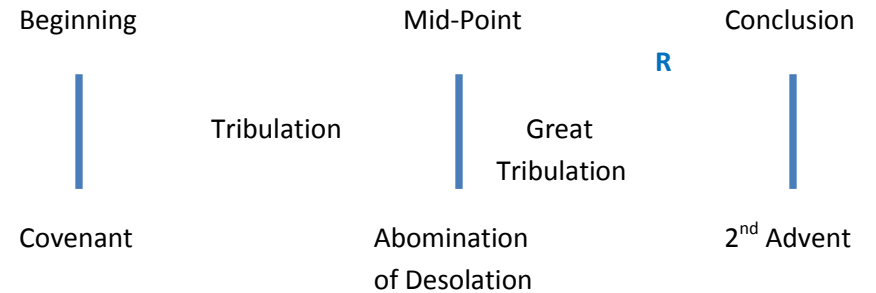

## Typical Pre-Millennial Views of Daniel's 70<sup>th</sup> Week\*:

Typical **Pre-Trib** (Rapture taking place before the Covenant) & **Post Trib** (Rapture just before 2<sup>nd</sup> Advent) Chronologies:

OR

Typical **PreWrath** (Rapture event is after the Great Tribulation which follows the mid-point of Daniel's 70<sup>th</sup> Week) Chronology:

But SCRIPTURE says differently than some popular end-time positions! Our Lord Jesus teaches events will **follow** the close of the Great Tribulation:

1. Immediately **after** the tribulation, heavenly signs will blaze. (Mark 13:24, 25 ; Matthew 24:29 ; Luke 21:25, 26)
2. Sometime **thereafter**, the Sign of the Son of Man will take place. (Mark 13:26 ; Matthew 24:30 ; Luke 21:27, 28)
3. Another group of false prophets and false christs appears **after** the tribulation concludes. (Mark 13:21-23 ; Matthew 24:23-28)
4. **Then** the global gathering of the elect will unfold. (Mark 13:27 ; Matthew 24:31 ; John 14:1-3 ; I Cor. 15:51, 52 ; I Thes. 4 ; II Thes. 2 ; Revelation 11 & 14)
5. **Following** the Rapture (event #4 above), the Bowls of God's Wrath will be delivered. (Revelation 14:17 – 16:21)
6. The 2<sup>nd</sup> Advent of Christ to the earth will begin a new millennium. (Matthew 25:31 ; Revelation 19)

W O W !! We have unbiblical *traditions* which foster disobedience to what our Lord has clearly called His people to: Preparedness & ready expectancy.

Warning: The popular construction of end times (as diagramed above) is NOT in agreement with our authority for faith and practice! God's Word tells of a very different chronology of events before our Lord's return to the earth!

How shall we then live? Let's go back to Scripture for HIS **Basic Instructions Before Leaving Earth!**

Is there another way to view Daniel's 70<sup>th</sup> Week which is more consistent with the outline (#s 1-6) above?

Yes there is! [Click here](#) to view the chart posted on-line.

\* We acknowledge some have included the "extra days" of Daniel 12:11,12 but this short period does not allow for events listed above (numbers 1-5).
